How to check in to a zone

There are multiple ways you can check into a zone.

- **Option 1:** Check in using the QR code. There are A3 QR posters near each zone entry at NHC
- **Option 2:** Check in manually from the comfort of your own car with the zone code via checkin-19.com - Avoid the queues.
- **Option 3:** If you do not have data or a smartphone you can check in on someone else's device.

If this is your first time using CHECKIN-19 you'll be asked to enter your details, if you've used it before it will have them automatically saved. Hit 'Check-In' to continue.

In checking in you are agreeing to abide by NHHA Entry Requirements which are displayed on our website and at all zone entries.
